

Notes for Authors

Manuscripts (as WORD attachments) should be sent to: d.bourn@ioe.ac.uk

Articles should be original. Should any material overlap with material which the author has published elsewhere in another language other than English, this should be made clear when the article is submitted. All articles will be refereed by members of the editorial board and other internationally renowned academics, which may lead to suggestions for the improvement of the article. The author's final draft will be edited and corrected by the journal's final editor.

Main articles should be between 3,000 to 8,000 words, including abstracts and referencing. An abstract of 80-120 words in English should be provided at the beginning of the article. An outline of a proposed article is recommended to be sent in advance of submitting the article.

Authors should prepare and send two versions of their manuscript. One should be a complete text, including author details and short professional biographies of each author, while in the second all document information identifying the author should be removed from files to allow them to be sent anonymously to referees.

Books for review should be addressed to: a.morgan@ioe.ac.uk

Tables and captions to illustrations. Tables and captions to illustrations must be typed out on separate sheets and not included as part of the text. The captions to illustrations should be gathered together and also typed out on a separate sheet. Tables and figures should be numbered in Arabic numerals. The approximate position of tables and figures should be indicated in the manuscript. Captions should include keys to symbols.

Figures. Please supply one set of artwork in a finished form suitable for reproduction. Figures will not normally be withdrawn by the Publisher.

Reference style and format. A full explanation of the style and referencing for the articles is available on www.trentham-books.co.uk

References should be indicated in the typescript by giving the author's name, with the year of publication in parenthesis. If several papers by the same author and from the same year are cited, a, b, c, etc. should be put after the year of publication. The references should be listed in full, including pages, at the end of the paper in the following standard forms:

For books:

Gaine, C (2006) *We're All White Thanks: the persisting myth about white schools*. Stoke on Trent: Trentham

For articles:

Radia-Bond, B (2005) Mixed blessings – understanding children of mixed heritage. *Race Equality Teaching* 24(1) p. 25-29

For chapters

Devitt, M (1990) A narrow representational theory of the mind. In W. Lycan (ed) *Mind and Cognition*. Oxford: Blackwell

For online

Newman, M (1997) In search of food security. <http://www.marketreport.com/security.htm> (add documents: month and year accessed)

End notes should be kept to a minimum. They should be numbered consecutively throughout the article, and should immediately precede the 'References' section.

Early Electronic Offprints: Corresponding authors can now receive their article by e-mail as a complete PDF. This allows the author to print up to 50 copies, free of charge, and disseminate them to colleagues. In many cases this facility will be available up to two weeks prior to publication, or alternatively a copy of the journal will be sent by post to all corresponding authors after publication.

Copyright. It is a condition of publication that authors assign copyright or license the publication rights in their articles, including abstracts, to Trentham Books Limited. This enables us to ensure full copyright protection and to disseminate the article to the widest possible readership in print and electronic formats as appropriate. Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.
